MEMORANDUM FOR THE RECORD

Following my talks with Congressman Mahon, Senators Saltonstall, Russell and Knowland, I also talked with Congressman Cannon, Senators Thyne and Stennis, and General Persons.

Mr. Cannon seemed to have forgotten our recent talks with him about the inadequacy of the amount, but after I explained the matter to him, he did recall and indicated his willingness to be helpful.

I then talked with Senator Thyne and Senator Stennis. Senator Stennis said he had talked with Senator Saltonstall and suggested I talk with Senator Saltonstall and if then I was not satisfied, he would be glad to see me.

I explained our problem to General Persons so that he would be alerted to the situation in the event any matter came to his attention. He also promised to help.
